

# EVERY BREWING CO

## PRIVATE EVENTS PRICING GUIDE

### *Brewhouse Mezzanine*

Thank you for reaching out to us to host your event! We have a great space for your group.

We offer our Brewhouse Mezzanine for large groups, with seating for 48 and space for up to 150 people. It features a private 10-tap bar with a range of food options served buffet-style. Please note that this event area is an indoor patio within an active brewing facility so temperature and noise levels can be unpredictable. If possible we recommend that you visit the space so that you can get a feel for whether it will meet your needs and expectations.

The mezzanine space will be perfect for your event if you're interested in a low-key, very open and social space. We set the food up buffet-style to encourage people to move around and socialize.

*The private event space is reserved for groups of 25 and larger.*

## PRIVATE EVENTS FAQ

### ***Are children allowed?***

Yes! We are a family friendly facility and children are certainly welcome. For children under 12, our menu options are \$10/child.

### ***Can I bring outside alcohol (wine, spirits, cider)?***

Unfortunately, due to our production permit, we are only able to serve alcohol produced on premise. This means no wine, spirits, cider, or outside beer.

### ***Do you have gluten-free beer?***

While Avery does make a gluten-free beer, we can't guarantee that it will be available for your event. Our non-alcoholic beverages are gluten-free.

### ***Can I bring a live band or DJ?***

No, our event space cannot accommodate a live band or DJ. We do have a sound system with speakers, and you are welcome to play your own playlist at your event. We also have some great background music that we'd be happy to play at your event.

### ***Can I bring my own dessert?***

Yes! Let us know ahead of time if you need to store it in our kitchen.

### ***Can I select the beers that will be available at my event?***

The beers we have available change day-to-day; therefore, we cannot guarantee particular beers will be available for your event. Let us know if there is a favorite you're hoping for and what styles you like, and our beer manager will do his best!

### ***Are private events available year-round?***

Due to issues keeping our event space cool and comfortable in the summer months, we do not offer private events in the summertime, typically Memorial Day through Labor Day. We would love to host your event between September and May when the weather helps our Brewhouse Mezzanine stay comfortable. Please keep in mind that Colorado weather can be unpredictable, so we can't guarantee that our event space will be cool on the date of your event.

### ***I'd like to give a presentation or have a meeting, can you accommodate that?***

Our Brewhouse Mezzanine is a unique indoor loft space above our active brewing facility. That means you get an up close look at brewing operations, but it also means that our event space can be loud at times. We typically do not recommend our space for lengthy presentations or small meetings.

### ***Can I add a tour to my event?***

Since our tours take place in the same space as our private events, we've found that adding a tour can be disruptive for guests who just want to hang out and socialize. We always have self-guided tour brochures available for guests who are beer fans interested in learning about our brewery.
